

Golf Board Meeting Minutes

Thursday May 15, 2025

4 PM at Echo Hills Golf Course

Present were Patrick Kirkland, Tim Missimer, Brian Deal, Jay Dee Denson, Mike Mohr, Ron Pearson Jr., Tyler Barlage, and citizen observer Kim Heisler.

Meeting called to order by JD and seconded by Mike Mohr.

Minutes were approved for the meeting held March 20, 2025, by Mike and seconded by Brian.

Patrick went over the most recent YTD revenue. Top Line revenue is down \$19K, rounds played are down 680, but on a positive note, Membership revenue is up \$6900 due to more members upgrading their memberships to a higher category. Patrick explained the weather this spring hasn't been good for the golf course with the constant rain and colder than usual temps. When the weather is nice and dry the course is packed.

Mike Mohr brought up comments he has received about the rough yardage markers not being present on the course this year. Tim explained that's not the aesthetic we're looking for. Tim said he will make sure the irrigation heads have clearly marked yardages as well as the cart paths.

Patrick brought up the idea of removing the out of bounds markers on the driving range to make those tee shots a little less intimidating and less penal. Most golf courses do not have interior out of bounds on the driving range. Brian Deal and Jay Dee disagreed with the idea.

Patrick went over upcoming events for the season. Patrick mentioned he has been putting more responsibility on Chase Wilson (assistant professional) for tournament and event management. Patrick hopes to make Chase a full-time salaried manager as he has been a key player to the operation.

Meeting called to adjourn by Mike Mohr and seconded by Ron Pearson Jr. at 4:45 PM.

Minutes prepared by Patrick Kirkland.
